CENTRE - POOL WINTER CLOSURE  
(Temporary)**

The Halls Creek Pool is now closed for winter maintenance and will re-open on Saturday 8<sup>th</sup> September 2018.

The closure is timed to coincide with minimal customer demand for the pool.

Gym members can access the gym with their access swipe cards as normal. Casual entry to the gym (payment per session) will not be available during the shut-down period.

The basketball courts and other “dry-side” facilities will remain available for hire as usual.

Pool members may have their monthly or annual passes extended by the equivalent period of the pool closure upon request.
