

HALLS CREEK AQUATIC AND RECREATION CENTRE – TEMPORARY POOL CLOSURE

We are sorry to advise that the pool is closed. A specialist technician from Perth has been engaged to fix the problem with the water treatment system. A further update will be issued the week of the 19th February once the technician has completed their investigation.

Pool members may contact the Shire for a credit on their membership. Dry-side facilities continue to be open.

We apologise for the inconvenience.

David Ardagh

Recreation Centre Manager
