## **PRESS RELEASE**

The Shire of Halls Creek has always and remains an entirely transparent publicly regulated organisation, committed to providing its residents with quality services and facilities.

Given the CCC role within the Public Sector is aimed at maintaining the Western Australian community confidence that public officers act with integrity and in the public interest, the Shire of Halls Creek welcomes and intends to cooperate fully with any investigation.

Once it is legally appropriate to do so, the Shire of Halls Creek will inform the community as to the outcome of any investigation.
