# Message from the President

## President Cr. Malcolm Edwards

Strategically, the Shire and its Budget remains focused on the main elements of:

- Expansion of the local economy
- Expanding local employment and training
- Improved service delivery on a wider range of services; and
- Focusing on service gaps and alternate options.

This results in a Budget framed around:

- High roads expenditure in construction, maintenance and flood damage; (\$13.5m)
- Maximising and utilisng grants received; (\$13.4m)
- Shire jobs - road works crew (11) and training crew
- Improving standards of productivity and probity in administration
- Start-up with Tanami Road project in 2023.

The Shire has experienced significant growth as a result of roadworks and other activities in 2022/23 and this will continue. I thank all Councillors and staff for their efforts in bringing 2022/23 to a close and adopting this Budget for 2022/23.

# Budget Summary

The Shire of Halls Creek 2022/23 Annual Budget was presented to and adopted by Council at an Ordinary meeting on Thursday 28 July 2022.

The Shire continues working on the Duncan Gordon Road Upgrade Project which includes the wet hire of Dozers, Graders, Rollers, Road Trains, and Water Carts. This project is expected to run 10 months of the year with a short break over the wet season.

Council has incurred less than anticipated rates revenue over the last two years resulting from:

- 2020/21 – As a response to COVID -19 economic impacts that State Government requested that rates not increase even when there had been a substantial increase in rural rate valuations.
- 2021/22 – A significant reduction in UV Pastoral valuations and back dating by the Valuer General resulting in rates revenue dropping from \$3.3 M in the approved budget to \$2.8 M in the amended budget for this year.

The compounding revenue reduction put the Shire in a difficult financial position in 2021/22 with cash flow being extremely tight resulting in additional costs to service a \$2 M overdraft facility as well as the Shire having to draw on reserve funds to manage cash flow. This resulted in the curtailment of various Council projects ranging from maintenance/grading of rural roads e.g., Duncan & Tanami Roads, road- side signage upgrades & maintenance, road-side litter pickup and other remote services. Other much needed non-roading projects, such as improving cybersecurity were deferred.

The 2022/23 budget has been prepared to put the Shire in a more viable financial position with funds from reserves to manage cash flow being returned and to minimise any further draws on the overdraft facility (and thereby minimise further funding costs). Heightened inflation and construction costs are expected to continue in 2022/23. The total rates is estimated at \$3.354 M including \$25,000 in interim rates payments. The total forecast increase in rates of 16.3% is significant, with increases of 49.1% for UV Rural/Pastoral; 16.2 % for UV Mining, 14.5% for UV Prospecting/Exploration and 3.4% GRV Town. The increase reflects the suppressed rates revenue in previous years and a more balanced contribution between rural, mining and town sites. The higher rate differential for the mining sector is the only mechanism the Council has to make mining operators contribute to the damage their activities do to roads within the district and offset their impact on first nation people.

The rate increases are also justified by the \$11.776 M expenditure, equivalent to 51% of the proposed total operating expenditure, being spent on transport, the bulk of which is roads. A further \$1.793 M is to be spent on road capital works. This expenditure greatly benefits the rural sector.

Provision is made for transfers to reserves totaling \$2,681,807. The allocation is across 14 restricted funds, including two new reserves (Roads and Staff Alignment & Development Reserve). The transfers are to ensure sufficient funds are available for various upgrades, maintaining and/or enhancing services and to go some way towards offsetting the depreciation on the Shire's assets.

Draft budgets were presented to Council in May and July 2022 and the budget adopted by Council at the OMC on Thursday 28 July 2022.

## **The Shire remains focused on the main elements:**

- Expansion of the local economy
- Retention of contract funds in the local economy

- Expanding local employment and training
- Improved service delivery on a wider range of services

- Road works programs
- Increasing the number of local jobs.

# A19 COVID-19 FINANCIAL HARDSHIP

---

## Administration

**PREAMBLE:** To give effect to our commitment to support the whole community to meet the unprecedented challenges arising from the COVID-19 pandemic, the Shire of Halls Creek recognises that these challenges will result in financial hardship for our ratepayers.

**OBJECTIVE:** This Policy is intended to ensure that we offer fair, equitable, consistent and dignified support to ratepayers suffering hardship, while treating all members of the community with respect and understanding at this difficult time.

**PRACTICE:** This policy applies to:

1. Outstanding rates and service charges as at the date of adoption of this policy and;
2. Rates and service charges levied for the 2022/23 financial year.

It is a reasonable community expectation, as we deal with the effects of the pandemic that those with the capacity to pay rates will continue to do so. For this reason, the Policy is not intended to provide rate relief to ratepayers who are not able to evidence financial hardship and the statutory provisions of the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996* will apply.

## PROCESS:

### Payment Difficulties, Hardship And Vulnerability<sup>1</sup>

Payment difficulties, or short-term financial hardship, occur where a change in a person's circumstances result in an inability to pay a rates or service charge debt.

Financial hardship occurs where a person is unable to pay rates and service charges without affecting their ability to meet their basic living needs, or the basic living needs of their dependants. The Shire of Halls Creek recognises the likelihood that COVID19 will increase the occurrence of payment difficulties, financial hardship and vulnerability in our community. This policy is intended to apply to all ratepayers experiencing financial hardship regardless of their status, be they a property owner, tenant, business owner etc.

### Anticipated Financial Hardship due to COVID19

We recognise that many ratepayers are already experiencing financial hardship due to COVID-19. We respect and anticipate the probability that additional financial difficulties will arise when their rates are received.

We will write to ratepayers at the time their account falls into arrears, to advise them of the terms of this policy and encourage eligible ratepayers to apply for hardship consideration. Where possible and appropriate, we will also provide contact information for a recognised financial counsellor and/or other relevant support services.

### Financial Hardship Criteria

While evidence of hardship will be required, we recognise that not all circumstances are alike. We will take a flexible approach to a range of individual circumstances including, but not limited to, the following situations:

Adapted from the DLGSC publication, Local Government (COVID-19 Response) Amendment Order 2022  
<http://https://www.dlgsc.wa.gov.au/>

- 
- Recent unemployment or under-employment
  - Sickness or recovery from sickness
  - Low income or loss of income
  - Unanticipated circumstances such as caring for and supporting extended family

Ratepayers are encouraged to provide any information about their individual circumstances that may be relevant for assessment. This may include demonstrating a capacity to make some payment and where possible, entering into a payment proposal. We will consider all circumstances, applying the principles of fairness, integrity and confidentiality whilst complying our statutory responsibilities.

### **Payment Arrangements**

Payment arrangements facilitated in accordance with Section 6.49 of the Act are of an agreed frequency and amount. These arrangements will consider the following:

- That a ratepayer has made genuine effort to meet rate and service charge obligations in the past;
- The payment arrangement will establish a known end date that is realistic and achievable;
- The ratepayer will be responsible for informing the Shire of Halls Creek of any change in circumstance that jeopardises the agreed payment schedule.

#### **Note**

A [Ministerial Order Gazetted on 24 June 2022](#) in accordance with Part 10 of the *Local Government Act 1995*, prohibits application of interest or penalty charges on an excluded person's rate and service charge debts in the 2022/23 financial year or until the Order is revoked or expires.

Clause 5 (below) has therefore been updated to align the template policy with the Ministerial Order so that the template policy is appropriate for Local Governments that have not yet adopted a Financial Hardship Policy and wish to do so based upon this template.

### **Interest Charges**

A ratepayer that meets the Financial Hardship Criteria will not attract interest or penalty charges on rates / service charge debt in 2022/23, subject to the period of time that the Local Government (COVID-19 Response) Ministerial Order 2022 remains effective (SL 2022/107 – Gazetted 24 June 2022).

In the case of severe financial hardship, the Shire of Halls Creek may consider writing off interest applicable to the Emergency Services Levy and / or interest previously accrued on rates and service charge debts.

### **Deferment Of Rates**

Deferment of rates may apply for ratepayers who have a Pensioner Card, State Concession Card or Seniors Card and Commonwealth Seniors Health Care Card registered on their property. The deferred rates balance:

- Remains as a debt on the property until paid;
- Becomes payable in full upon the passing of the pensioner or if the property is sold or if the pensioner ceases to reside in the property;

- May be paid at any time, BUT the concession will not apply when the rates debt is subsequently paid (deferral forfeits the right to any concession entitlement); and
- Does not incur penalty interest charges.

### **Debt Recovery**

We will suspend our debt recovery processes whilst negotiating a suitable payment arrangement with a debtor. Where a debtor is unable to make payments in accordance with the agreed payment plan and the debtor advises us and makes an alternative plan before defaulting on the 3<sup>rd</sup> due payment, then we will continue to suspend debt recovery processes.

Where a ratepayer has not reasonably adhered to the agreed payment plan, then for any Rates and Service Charge debts that remain outstanding on 1 July 2023, we will offer the ratepayer one further opportunity of adhering to a payment plan that will clear the total debt by the end of the 2022/23 financial year.

Rates and service charge debts that remain outstanding at the end of the 2022/23 financial year, will then be subject to the rates debt recovery procedures prescribed in the *Local Government Act 1995*.

### **Review**

We will establish a mechanism for review of decisions made under this policy and advise the applicant of their right to seek review and the procedure to be followed.

### **Communication And Confidentiality**

We will maintain confidential communications at all times, and we undertake to communicate with a nominated support person or other third party at your request.

We will advise ratepayers of this policy and its application, when communicating in any format (i.e. verbal or written) with a ratepayer that has an outstanding rates or service charge debt.

We recognise that applicants for hardship consideration are experiencing additional stressors, and may have complex needs. We will provide additional time to respond to communication and will communicate in alternative formats where appropriate. We will ensure all communication with applicants is clear and respectful.

## RECREATION & CULTURE - PROGRAM 11

### IMPORTANT INFORMATION ABOUT HIRE OF SHIRE FACILITIES

In the interest of law, order and public safety, the Shire reserves the right to refuse hire of any of its facilities for any purpose.

Please ensure you have contacted the Shire of Halls Creek to ensure you are familiar with and understand all information including hirers responsibilities in relation to the hire of Shire of Halls Creek facilities. A Hirers Manual is available from the Shire; this manual outlines all the necessary information hirers are required to understand/be aware of.

All events with alcohol must have police approval before hire is approved by the Shire, and a copy of applicable liquor licence (in the event alcohol is to be sold) must be presented to the Shire of Halls Creek for the booking to be considered.

The Shire reserves the right to make the decision about the purposes for which the facility is hired, and the right to request further information prior to making a decision to allow the booking

## SCHEDULE OF FEES AND CHARGES FOR 2022-23 (CONTINUED)

DESCRIPTION	Proposed 22/23 Fees and Charges incl GST	GST
<p>A bond is always required as per the prescribed fees and charges. No exceptions. Notwithstanding the payment and / or forfeiture of the bond the Shire reserves the right to recover the full cost from the hirer for the repair of any damage to Council property or for the cleaning of Council property resulting from the hire.</p> <p>The Shire also reserves the right to charge a higher bond if the hirer has previously caused damage/loss when hiring a facility or if the nature of hire is deemed a risk for damage or loss.</p> <p>All fees and charges are adopted by the Council, and Shire Officers are not able to waive, discount , exempt, write-off or alter any of the applicable fees and charges. In view of this, the Council supports the Facility Hire Grant process and the Application for Donation by Council process. Please contact the Shire of Halls Creek for more information.</p> <p>Day hire is considered to be hire of 7 hours or more to a maximum of 24 hours after which the new day commences. Hour hire is from 1 to 8 hours hire. Hire commences from when keys are collected until when keys are returned NOT from when event commences or finishes.</p> <p>Equipment available in hire venues is stated in the hire fees and charges. The Shire does not have any other equipment available for hire or use, so potential hirers need to consider their own requirements such as projectors, whiteboards, crockery, catering etc. Equipment cannot be moved from one hire venue to another, even if the hirer has multi-hire of facilities.</p> <p>To avoid disappointment it is recommended that bookings are made 7 days in advance of the event.</p>

Note 13	Fees and Charges	26

1 (a) BASIS OF PREPARATION

The annual budget has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations.

The *Local Government Act 1995* and accompanying Regulations take precedence over Australian Accounting Standards where they are inconsistent.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost. All right-of-use assets (other than vested improvements) under zero cost concessionary leases are measured at zero cost rather than at fair value. The exception is vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this annual budget have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the budget has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

Financial reporting disclosures in relation to assets and liabilities required by the Australian Accounting Standards have not been made unless considered important for the understanding of the budget or required by legislation.

**The local government reporting entity**

All funds through which the Shire of Halls Creek controls resources to carry on its functions have been included in the financial statements forming part of this annual budget.

In the process of reporting on the local government as a single unit, all transactions and balances between those Funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 12 to the annual budget.

**2021/22 actual balances**

Balances shown in this budget as 2021/22 Actual are estimates as forecast at the time of preparation of the annual budget and are subject to final adjustments.

**Budget comparative figures**

Unless otherwise stated, the budget comparative figures shown in the budget relate to the original budget estimate for the relevant item of disclosure.

**Comparative figures**

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

**Initial application of accounting standards**

During the budget year, the below revised Australian Accounting Standards and Interpretations are expected to be compiled, become mandatory and be applicable to its operations.

- AASB 2020-3 Amendments to Australian Accounting Standards - Annual Improvements 2018-2020 and Other Amendments
- AASB 2020-6 Amendments to Australian Accounting Standards - Classification of Liabilities as Current or Non-current - Deferral of Effective Date

It is not expected these standards will have an impact on the annual budget.

**New accounting standards for application in future years**

The following new accounting standards will have application to local government in future years:

- AASB 2021-2 Amendments to Australian Accounting Standards - Disclosure of Accounting Policies or Definition of Accounting Estimates
- AASB 2021-6 Amendments to Australian Accounting Standards - Disclosure of Accounting Policies: Tier 2 and Other Australian Accounting Standards

It is not expected these standards will have an impact on the annual budget.

**Judgements, estimates and assumptions**

The preparation of the annual budget in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimated fair value of certain financial assets
- estimation of fair values of land and buildings and investment property
- impairment of financial assets
- estimation uncertainties and judgements made in relation to lease accounting
- estimated useful life of assets

**Rounding off figures**

All figures shown in this statement are rounded to the nearest dollar.

1 (b) KEY TERMS AND DEFINITIONS - NATURE OR TYPE

REVENUES

RATES

All rates levied under the *Local Government Act 1995*. Includes general, differential, specified area rates, minimum rates, interim rates, back rates, ex-gratia rates, less discounts and concessions offered. Exclude administration fees, interest on instalments, interest on arrears, service charges and sewerage rates.

SERVICE CHARGES

Service charges imposed under Division 6 of Part 6 of the *Local Government Act 1995*. Regulation 54 of the *Local Government (Financial Management) Regulations 1996* identifies these as television and radio broadcasting, underground electricity and neighbourhood surveillance services.

PROFIT ON ASSET DISPOSAL

Profit on the disposal of assets including gains on the disposal of long term investments. Losses are disclosed under the expenditure classifications.

OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Refer to all amounts received as grants, subsidies and contributions that are not non-operating grants.

NON-OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

FEES AND CHARGES

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses, advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc. Local governments may wish to disclose more detail such as contract services, consultancy, information technology, rental or lease expenditures.

UTILITIES (GAS, ELECTRICITY, WATER, ETC.)

Expenditures made to the respective agencies for the provision of power, gas or water. Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

INSURANCE

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

LOSS ON ASSET DISPOSAL

Loss on the disposal of fixed assets includes loss on disposal of long term investments.

DEPRECIATION ON NON-CURRENT ASSETS

Depreciation and amortisation expense raised on all classes of assets.

INTEREST EXPENSES

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

OTHER EXPENDITURE

Statutory fees, taxes, provision for bad debts, member's fees or State taxes. Donations and subsidies made to community groups.

1 (c) KEY TERMS AND DEFINITIONS - REPORTING PROGRAMS

In order to discharge its responsibilities to the community, Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis, reflected by the Shire's Community Vision, and for each of its broad activities/programs.

OBJECTIVE

Governance

To provide a decision making process for the efficient allocation of scarce resources.

General purpose funding

To provide adequate funding for the Shire's operation by maximising income from Rates, general purpose government grants, interest and other sources of revenue.

Law, order, public safety

To provide services to help ensure a safer and environmentally conscious community.

Health

To provide services to help ensure a safer and environmentally conscious community.

Education and welfare

The Shire of Halls Creek Olabud Doogethu service is a collaborative partnership with the Department of Prime Minister and Cabinet that focuses on ensuring Indigenous Australians grow up and live their lives in a safe home and community, Department of Corrective Services and the Department of Child Protection Family Support.

Housing

Provision of adequate housing for Shire staff.

Community amenities

Provide services required by the community.

Recreation and culture

To establish and manage efficiently infrastructure and resources which will help the social development and well being of the community.

ACTIVITIES

Administration and operation of facilities and services to members of Council. Other costs relating to tasks of assisting elected members and ratepayers on matters which do not concern specific services.

Raising of rates, collection of debts, general purpose funding and other funding activities.

Supervision of various by-laws, fire prevention, emergency services and animal control.

Aboriginal Environmental Health Program - This scheme is part funded by the Health Department of WA, with the main aim being to ensure the delivery of environmental health services to Aboriginal communities, addressing specific needs and requirements of such communities.  
Health Admin & Inspection - Expenditure related to the general administration and delivery of environmental services such as food inspections, issuing of licences such as stall-holder and hawkers licences, and the general administration role as required by the Shire in accordance with the Health Act.  
Pest Control and Analytical - Allocation to enable the Environmental Health Officer to undertake food sampling and other testing with relevant testing authorities in Perth. Allocation also for actions required for mosquito control.

Focuses on "breaking the cycle" for at-risk Aboriginal young people - ensuring they have a safe environment in which to make positive life choices.

Maintenance and operations of staff housing, capital repairs and maintenance, as well as new construction.

Refuse collection services and refuse site maintenance, administration of the Shire's Town Planning function, maintenance and management of the Shire's Cemetery, public conveniences and certain community development projects.

Maintenance and operation of Civic Halls, Sports Courts, Oval, Aquatic & Recreation Centre, Library, Rebroadcasting services and the culture background of Halls Creek such as the Trackers Hut.

**Transport**

To provide safe, effective transport services to the community.

Construction and maintenance of streets, roads, bridges, cleaning and lighting of streets and the operation of the airport.

**Economic services**

To help promote the Shire and improve its economic well being.

Travel & Tourism & Area Promotion, Building Control, Post Office services and Economic Development.

**Other property and services**

To monitor and control Council's overheads operating accounts.

Public Works Overheads - Costs associated with the employment of Works staff are included in this sub-program and are then re-allocated to the relevant service or programme through routine overheads recovery processes.

Plant Operation Costs - All costs associated with the operation of Council's plant fleet are assigned to this sub program, and throughout the year are reallocated to relevant work jobs assigned to this sub program, and throughout the year are reallocated to relevant work jobs on which the plant worked, to obtain accurate costs of that job. Items of plant which determine actual costs include fuels, oils, repairs and depreciation.

Salaries & Wages - This sub Programme identifies the total salaries and wages costs expected for the year and these are also reallocated throughout all sub Programmes during the financial year to reflect true costs.

All land (other than exempt land) in the Shire of Halls Creek is rated according to its Gross Rental Value (GRV) whwre it has non rural use or Unimproved Value (UV) in the remainder of the Shire of Halls Creek.

The general rates detailed for the 2022/23 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of local government services/facilities.

3 (d) NET CURRENT ASSETS (CONTINUED)

SIGNIFICANT ACCOUNTING POLICIES

CURRENT AND NON-CURRENT CLASSIFICATION

An asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Shire's operational cycle. In the case of liabilities where the Shire does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the Shire's intentions to release for sale.

TRADE AND OTHER PAYABLES

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the financial year that are unpaid and arise when the Shire of Halls Creek becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

PREPAID RATES

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Shire recognises revenue for the prepaid rates that have not been refunded.

INVENTORIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Superannuation

The Shire of Halls Creek contributes to a number of superannuation funds on behalf of employees.

All funds to which the Shire of Halls Creek contributes are defined contribution plans.

LAND HELD FOR RESALE

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

TRADE AND OTHER RECEIVABLES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectible amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

Trade receivables are held with the objective to collect the contractual cashflows and therefore measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to inflation, any difference between the face value and fair value is considered immaterial.

The Shire applies the AASB 9 simplified approach to measuring expected credit losses using a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, rates receivable are separated from other trade receivables due to the difference in payment terms and security for rates receivable.

PROVISIONS

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

EMPLOYEE BENEFITS

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position. The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

CONTRACT LIABILITIES

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer. Grants to acquire or construct recognisable non-financial assets to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

#### 4. RECONCILIATION OF CASH

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Estimated cash at the end of the reporting period is as follows:

#### SIGNIFICANT ACCOUNTING POLICES

##### CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities in Note 3 - Net Current Assets.

##### FINANCIAL ASSETS AT AMORTISED COST

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

## SIGNIFICANT ACCOUNTING POLICIES

### DEPRECIATION

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Major depreciation periods used for each class of depreciable asset are:

Buildings	8 to 50 years
Furniture and equipment	4 to 10 years
Plant and equipment	4 to 20 years
Infrastructure - roads	5 to 80 years
Infrastructure - other	10 to 80 years

### AMORTISATION

The depreciable amount of all intangible assets with a finite useful life, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held for use.

The assets residual value of intangible assets is considered to be zero and useful live and amortisation method are reviewed at the end of each financial year.

Amortisation is included within Depreciation on non-current assets in the Statement of Comprehensive Income.
