I am a proud Jaru woman from Halls Creek. I'm advocating for the people of Halls Creek towards making a better productive town for everyone.

I want to work towards making changes, we need to have better housing and Health care in the town. There is also the hard task of trying to make Halls Creek a safe town for everyone, and for the tourists that come through here every year.

The four communities in the Tjurabalan region, also need a voice in the Shire. The Tanami road being upgraded and bitumen put in, will boost our economy by 100% in the near future.

So hopefully voting for me, will also give you a voice in the local Shire government.
