Councillor for Shire of Halls Creek

Enrolment status

CASSON, Siobhan is eligible to stand for election as a resident of the Shire of Halls Creek.

I am standing for council on the following issues:

- Better representation for remote communities by re-establishing the Aboriginal Advisory Committee
- Local business support and growth
- Improvement of sports and recreation services for all ages
- Setting up a Youth Council
- Repairing the relationship between the Shire of Halls Creek, Aboriginal corporations and other non-profits to strengthen outcomes for the community.
- Re-establishing Interagency Meetings to improve collaboration between the Shire, government departments and community organisations

I have lived in Halls Creek for almost 24 years. I consider this my home and I care about the town.

I sat on council between 2009 and 2013. During that time I completed the Diploma in Local Government (Elected Member). I have a strong understanding of how local government works.

I have worked across this region and the broader Kimberley and I can see how Halls Creek is falling behind.

I know that a strong council can do a lot to turn this around.
