| Enrolment status  | <b>DARBY, Theresa is eligible to stand for election as a resident of the Shire of Halls Creek.</b> |

My name is Theresa Darby, I've lived in Halls Creek for over 60 years. I was raised on Country, with my grandmother to live off the land, to listen deeply, and to learn from what surrounds us. Those teachings have stayed with me my whole life. It shaped my identity with my family.

Over the decades, I've watched our town grow but I've also seen how little has changed for our local families, especially our young people. Too often, they don't see the pride, the strength, or the opportunity that lives in this place. I want to change that.

That's why I'm putting my hand up to join our local government council. I want to be a voice for our community someone who understands our history, our challenges, and our hopes. I believe we can create spaces where our young ones feel proud to walk their own path, grounded in culture and supported by opportunity.

It's time for change that comes from within. I'm ready to listen, to speak up, and to help build a future that reflects the spirit of Halls Creek.
